- A note "H = krook plafond" (H = sloped ceiling) is present in two locations.

MATEX I

This architectural drawing shows a cross-section of a roof assembly. The roof is covered with a wavy-patterned material, likely tiles. A central skylight is depicted with a width of 324 and a height of 1122. The skylight is labeled 'ZOLDER' (skylight) and 'VENT' (vent). The drawing includes a dashed line indicating the roof's profile and a hatched area on the left side, possibly representing a wall or another roof section.
